Northumberland Estates permits the public to use the ways shown as coloured dotted lines [] on the map. This permission may be revoked at any time, is limited to use on [foot/bicycle] and only along the way shown as coloured dotted lines [] on the map. You should note this land is farmed and the permission is subject to any use of the land by the farmer/ landowner. Persons using the permissive path do so at their own risk.

The Countryside Code
 In order to allow everyone to make the most of these routes and enjoy them to the full we ask that you please take note of the following:

1. Please stick to the marked routes
2. Farm animals can be dangerous, especially if with young. Treat them with respect
3. Dogs **MUST** be kept under strict control at all times and kept to the marked tracks to avoid disturbing both farm animals and wildlife such as ground nesting birds
4. Use the gates and stiles provided
5. Leave gates and property as you find it
6. Under no circumstances must fires be lit
7. Take your litter home. It can be dangerous for both farm animals and wildlife
8. Respect the environment. Please do not remove plants, trees and other items but leave them for all to enjoy
9. We reserve the right to close this route at certain times for maintenance and other works. Please consult the web site for closure details at: www.northumberlandestates.co.uk
